

GIVING BACK!

In 2015 83% of our business was generated from repeat clients and referrals. We would like to 'give back' and are offering you a chance to join us in **supporting your favorite charity**. For every buyer or seller referral you send to Team Callan, we will **donate 10%** of our commission at closing to a school, a church, a hospital, or any other non-profit charitable organization that you choose.

→ Call me direct with the contact information for the client or to arrange a personal introduction. To participate, contact me with the prospect contact information or to arrange a personal introduction. The first contact with the prospect must come through you. If I or a Team member has previously communicated with this party, the referral will not be redeemable.

→ At closing Team Callan will send a check to the **non-profit charity of your choice in your name**, in the amount of 10% of my commission from the listing or sale side of the first resulting transaction, whichever is applicable.

IT IS THAT EASY! Call me today and lets 'give back' together!

TEAM CALLAN offers superior service in Western Oakland County, all of Livingston County, and Genessee County south of Grand Blanc

Thanks in advance for helping us to give more!
