**Mike Wood Named to the
“Best Real Estate Agents in America” List**

Reno, NV (July 24, 2013) - Mike Wood, a RE/MAX Realty Affiliates REALTOR®, is among more than 700 RE/MAX Associates and teams featured on the inaugural list of the “Best Real Estate Agents in America,” compiled by industry analyst REAL Trends and based on 2012 production.

Wood graduated from Chico State with a bachelor’s degree in Business Management. He moved to Reno in 1995 and became a Realtor in 2005, and he just celebrated his sixth year with RE/MAX Realty Affiliates. “Our goal is always to help our clients and with this market we’ve been very busy,” Wood said. “There are a number of opportunities right now, no matter what their real estate goals might be.”

A total of 425 RE/MAX individual agents qualified for the “Best Real Estate Agents” list for 2013. These agents averaged 82.2 transaction sides, which is 24 percent more than the report average of 66.5. The report, which ranks agents by state and metro area, included 321 RE/MAX teams. They averaged 155.5 sides - also 24 percent more than the report average of 125.4.

More than 6,500 agents participated in the “Best Real Estate Agents in America” report. It is an outgrowth of the REAL Trends/The Wall Street Journal report “The Thousand,” which ranks the most productive 1,000 agents in the U.S. Agents who made The Thousand are also included in the “Best” rankings. This year, RE/MAX agents led the 2013 “The Thousand” list as measured by the number of transaction sides per agent.
