Dear Mrs. Daily:

On behalf of USA Children's & Women's Hospital, thank you for your continued support as a Children's Miracle Network Hospitals partner. Through events like golf tournaments, art auctions, festivals and galas, your team has raised a total of \$299,100.00 since 1996.

These funds raised over the past ten years have been vital to the successes at USA Children's & Women's Hospital. With your help, our hospital has been able to update medical equipment, purchase supplies for our Child Life department, and to make sure the patients receive the little "extras" which help and comfort the tiniest of patients. Thank you for choosing to give back and help make a difference in the lives of those we serve throughout the Gulf Coast region.

Sincerely,

Nancy Calhoun
