

## Grant Policies

The primary role of the RE/MAX Lake of the Ozarks Charitable Foundation is to establish funds for the purpose of conducting flexible community grant making. It is the intention of these grants to address important needs within the Lake of the Ozarks Community. The flexibility this requires is made possible by the charitable donations made by the Associates and Staff of RE/MAX Lake of the Ozarks.

Any member of the RE/MAX Lake of the Ozarks organization can make recommendations to the Board of Directors of the Charitable Foundation. The Board of Directors meets Quarterly to review and make final and absolute determinations on all grant awards.

The RE/MAX Lake of the Ozarks Charitable Foundation will also accept for consideration proposals from any non-profit organization from the Lake of the Ozarks Community. Grant requests must be presented on the proper forms of the Foundation. Grant requests from individuals will not be considered.

The RE/MAX Lake of the Ozarks Charitable Foundation has a continuing interest in supporting institutions and projects that provide vital community services, however, the Foundation also has an interest in:

- Projects that provide innovative solutions for existing and emerging community needs
- Projects which encourage collaboration between local organizations
- Projects that impact specific needs of Individuals within our community.

While these are areas of strong interest to the RE/MAX Lake of the Ozarks Charitable Foundation, requests need not be limited to these interests.
